- Emergency Shelters will be opened selectively depending on the severity and type of incident or disaster.
- You should know the location of your two nearest shelters but do not go there until instructed to do so.
- Listen to radio and television for shelter locations, instructions and opening schedule.
- Be aware that all shelters; General Population, Special Needs and Pet Friendly do not stock supplies. You must bring all of your emergency supplies with you.
- If you know someone who does not speak English or someone who, due to a disability cannot receive emergency information readily, we highly recommend forming a core group of family or friends who can assist with translations or providing important emergency information as well as assisting with disaster preparedness actions and if needed, evacuation.

Emergency Shelters on this list fall into three categories:

General Population Shelter

General Population Shelters provide refuge for the general population only. Be aware that all shelters including Special Needs and Pet Friendly do not stock supplies. You must bring all of your emergency supplies with you. You will need at least two days worth of food, water, clothing, medical supplies and personal items for yourself and family members. If you have pets or a family member with special needs see the following shelter options. **NOTE: If you are sick when reporting to a shelter please notify shelter staff as soon as you arrive.**

Special Needs Shelter – Designated (S)

Special Needs Shelters have been developed by the State of Hawaii to assist those with disabilities who do not require hospitalization, but whose medical or health needs require more attention than is available in a general population shelter. Locations of Special Needs Shelters will be broadcast over TV and radio. Facilities designated to serve as Special Needs Shelters provide limited support to persons with special health needs. Special Needs evacuees must bring all of their own equipment and supplies, be capable of taking care of their own needs or be accompanied by a caregiver. **NOTE: If you are sick when reporting to a shelter please notify shelter staff as soon as you arrive.**

Pet Friendly Shelters – Designated (P)

Pet Friendly Shelters have been developed by the State of Hawaii and are co-located with some general population shelters. Household pets entering a pet friendly shelter **must be in a pet carrier** for safety and owners should provide at least a two day supply of water and food for their pets. In addition owners will be responsible for feeding, cleaning, and exercising their pets and may be asked to assist shelter staff. If the pet shelter is not yet available, keep your pet in its carrier parked in your vehicle in a shaded and protected area next to the shelter. Make sure that your vehicle provides adequate ventilation. **NOTE: If you are sick when reporting to a shelter please notify shelter staff as soon as you arrive.**

NOTE: In some instances shelters may be multi-purpose serving the general population, Pets and those with Special Needs. These shelters are designated (S/P).
